## Veteran's Day celebration planned

Thomas F. Kane, Secy., Carbondale Memorial Day Committee has announced that the annual Veterans Day celebration will be held in Carbondale on Saturday, November 8, instead of the traditional November 11. Brief ceremonies in Memorial Park will commence at 11:00 a.m. sharp. All Carbondale area veterans and the general public are asked to assemble at 10:30 a.m. This Veterans Day will be celebrated two ways, first to remember all veterans who paid the supreme sacrifice and secondly to display to the public the 101 year old Civil War Monument which has been completely renovated due to the efforts of the Memorial Day Committee and the Carbondale Historical Society. Restoration work was done by the Marber Construction Company of Carbondale. The monument was removed from the base and a new base was constructed and the monument itself also underwent extensive repairs. Everyone who contributed in any way to this effort is invited to attend to see what was accomplished with their generous contributions. The complete renovations cost was in excess of \$6,000.00 which includes the fence erected to prevent vandalism. "We, the Veterans of Carbondale, believe that these ceremonies are important to show that the people of Carbondale have not forgotten these brave men who should never be forgotten," said a spokesman.
